GMS students root for Pistons

Fifty Grayling Middle School eighth grade students traveled to The Palace of Auburn Hills to see the Pistons compete against the Boston Celtics earlier this month. Grayling native George Blaha, the "Voice of the Pistons" and Pistons television commentator, met with the students before game time. A group picture (inset) was taken on the floor with Blaha, and John Mason, the Pistons public address announcer. Coach Flip Saunders also distributed signed autograph pictures. Twenty students' names were drawn to participate in a "High Five Tunnel" with the Piston Players, pictured above. Trip organizers Pete and Marti Ingvarsson, an eighth grade teacher, were joined by parents and community members Cheryl Desénfants, Dave Latuszek, Karl Schriener, Michele Moshier, Chris Sheldon, Pam Prause and Brian Hulbert.

County voters make picks for president

by Dan Sanderson
Staff Writer

Election results in Crawford County mirrored those across the state in last week's presidential primary election.

Just 1,987 voters, about 17 percent of those registered to vote in Crawford County, cast ballots on the presidential primary election held on Tuesday, Jan. 15.

On the Democrat's side of the ballot, 383 voters supported Sen. Hillary Clinton, the former first lady. Clinton was the top vote getter in the state.

A total of 193 voters cast uncommitted ballots for democratic candidates who requested their names not be on the ballot. This was due to fear of upsetting voters from other states holding early primary elections.

On the Republican side of the ballot, Sen. John McCain received 568 votes in Crawford County. McCain, who was a POW in the Vietnam War, won the presidential primary in Michigan in 2004.

"We are a military town, and we expected a lot of support for Sen. McCain," said Crawford County Clerk/Register of Deeds Sandra Moore.

Former Massachusetts Governor Mitt Romney, who was in the Michigan presidential primary, gathered 440 votes in Crawford County. Former Arkansas Governor Mike Huckabee trailed with 201 votes in Crawford County.

The Jan. 15, 2008, election was only the 11th state-sponsored presidential primary in Michigan history.

The presidential candidates' names will not appear on the regularly scheduled primary election ballot in August, when voters will decide their congressional, state, county and township representatives.

The final presidential nominations will be on the November general election ballot, along with the candidates for the other offices.

Moore said she was pleased that county residents exercised their vote as the political season heats up.

"Historically, presidential primary's have a low voter turnout," Moore said. However, this year, more people are getting involved with 1.4 million voting statewide. Approximately, 850,000 Republicans and 500,000 Democrats did cast their ballots in Michigan.

"Twenty percent was the state prediction, and Crawford County has 17 percent interested in electing the leaders of this great country," Moore added.

"Moving Michigan to the forefront brought us more attention, and I encourage voters to become more active in the process. Our state is facing serious economic strains, and the most important way to have your voice heard is to get more involved."

Armored vehicle coming to Grayling

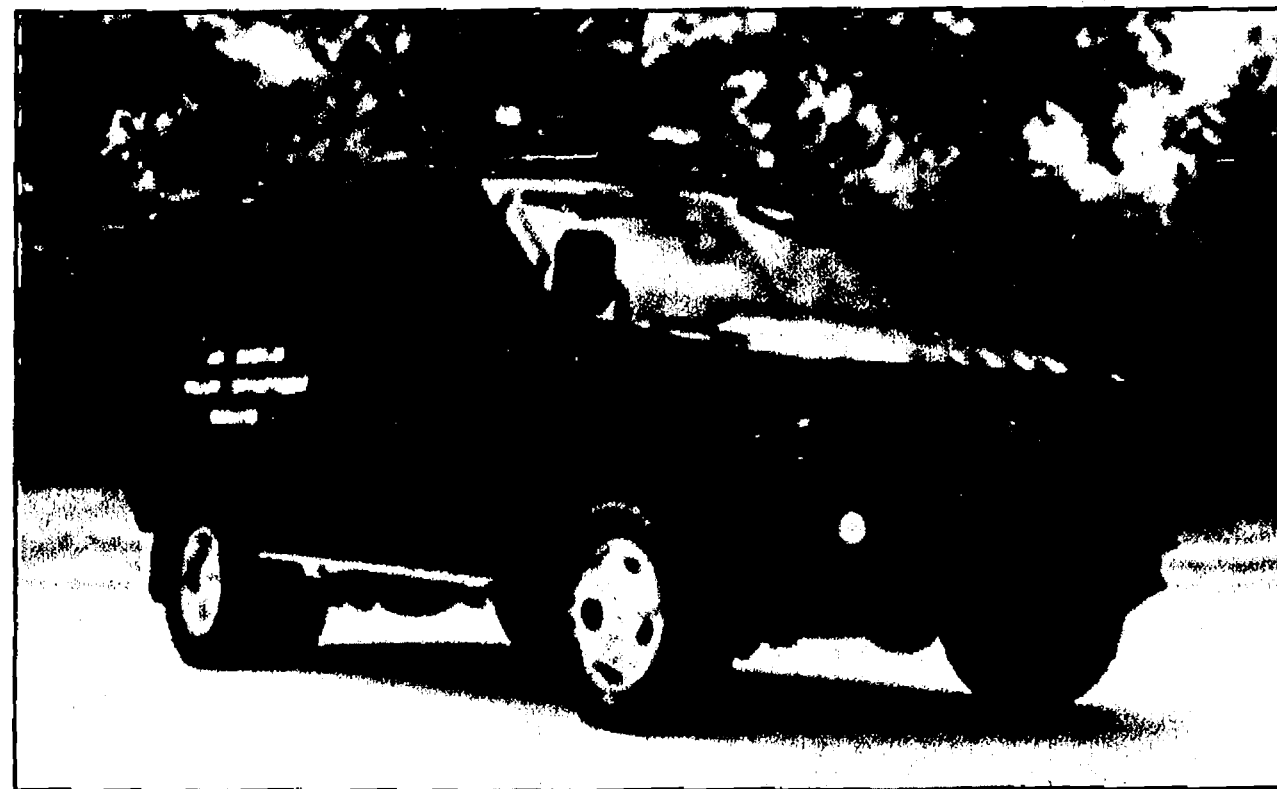

by Dan Sanderson
Staff Writer

An armored vehicle, which will be used by a multi-jurisdictional SWAT team when responding to calls where barricaded gunmen have fired shots, will be kept in Crawford County.

Northern Michigan Mutual Aide, a SWAT team that includes sheriff's deputies, city and tribal police officers from 17 northern Michigan Counties, is receiving a BearCat from Lenco Industries, Inc., based in Massachusetts. Funds to purchase the vehicle are coming through the U.S. Department of Homeland Security.

The armored vehicle has on board detection devices to locate explosives, gas and nuclear fuel. The vehicle has a thermal imaging unit which can detect a person, hiding inside a house or building, from their body heat. It also has remote spot lights and is capable of taking a direct hit from a 50-caliber round.

"It's a pretty amazing vehicle, and it didn't cost a penny to anyone here," said Crawford County Sheriff Kirk Wakefield, who is the commander of

The vehicle will be dispatched, with Northern Michigan Mutual Aide members, when there is an incident where shots have been fired, in order to evacuate citizens.

"I can drive right to the doorstep of a citizen, put them

in my vehicle, and drive them to a safe place until the situation is resolved," Wakefield said. "This is an awesome asset for northern Michigan."

Two other BearCats will be delivered to the Detroit Narcotics squad and Grand Rapids SWAT, Wakefield said. The vehicles are being used

extensively in Iraq and Afghanistan, and also used to patrol nuclear sites in the United States, Wakefield said.

The vehicle, which costs \$225,000, will be under the care and custody of the Crawford County Sheriff's

Special tax assessment plans dropped in Frederic

by Dan Sanderson
Staff Writer

The Frederic Township Board pulled the plug on a plan, to create a special assessment district to fund ambulance and fire department operations last week, after dozens of residents objected to the new form of taxation.

About 125 people attended the standing room only meeting, at the Frederic Township Hall, on Tuesday, Jan. 15. The township board held a public hearing on a special tax assessment proposed by the Frederic Township Fire Chief Doug Pratt.

If the special assessment tax district was created, the fire department millage would have been decided annually at the township board's budget hearings, and would no longer have been on the ballot for voters to decide. The special assessment would have meant that tax levies would be consistent, rather than jeopardizing having a funding measure turned down by voters.

In the coming years, Pratt said that he would like to increase the training of the township EMTs to add advance life support certification, and have around the clock staffing for ambulance runs.

"We want to be able to take care of our own residents that

way," Pratt said.

Pratt said Frederic Township has the only township fire department in Crawford County that is not supported by a special assessment tax district.

After hearing objections from township residents, Pratt told the township board to shelve the plan for the special assessment district. Instead, the township will place a two-mill tax renewal on the August primary ballot to fund the fire department, plus an additional one-mill proposal for expanded ambulance services. The Frederic Township Fire Department is currently supported by a two-mill voted millage, which generates about \$98,000 per year.

"The people wanted their vote. They made it very loud and clear, and I'm OK with that," Pratt said. "Since they've supported the fire department for 45 years, I'm hoping they will continue to support the millage. As long as we have funding, that's all I care about."

Jeff Keys, the Frederic Township supervisor, said the township received 130 letters about the special assessment district, with only a couple of letters in support of the tax levy.

Seniors push Eagles site for senior center

by Dan Sanderson
Staff Writer

Grayling area seniors are continuing to push for the Eagles Club as a possible site for a new senior center as the list of options for relocation of the facility continues to grow.

A half dozen seniors attended the Crawford County Board of Commissioner's meeting last week, encouraging county officials to sign a purchase agreement to buy the Grayling Eagles Club property.

The Crawford County Commission on Aging (COA) is also studying the potential of moving the senior center to the Grayling Fish Hatchery building.

The COA Board, at its September meeting, voted to explore the option of relocating to the fish hatchery building in a move to find more space to serve area seniors.

Built in the 1960s, the current senior center has 5,000 square feet of space. Ideally, the senior center needs about 7,000 square feet of space to provide its programs and services.

Officials have explored expanding the senior center's dining room and relocating the Grayling Housing Commission offices to a new location. The Grayling Housing Commission owns the senior center property and building, and also oversees the rental of federally subsidized apartments located next to the senior center.

Due to the space and land restrictions, expanding the senior center has been ruled out as an option. The U.S. Department of Housing and Urban Development also said that the senior center could not take over the entire building.

Vivian Powers, a senior who is pushing for the Grayling Eagles site, said seniors already take part in activities there and feel comfortable with that location.

"We feel that this is a second home for the seniors," Powers said.

Powers also noted that the chances of getting grants to repair the fish hatchery building would be scarce due to the slowing economy.

"With the recession coming, they're going to close down all the grants and all of the money," Powers said. "We know that. We've been there."

Senior Donna Burke said that

she did not believe it was feasible to move to the fish hatchery building.

"It's going to cost us a fortune to bring it up to code," Burke said.

Martha Barnum said moving to the Eagles Club would be more convenient for the seniors with Walgreens coming to the nearby corner on Huron Street and the I-75 Business Loop.

"It's more conducive for the senior citizens to be in that area," Barnum said.

Jerry Gosnell, a trustee on the Grayling Eagles Club board, said the club is considering a new location, where it could have outdoor amenities and visiting Eagles could park their RVs and campers.

"Right now, we are just waiting to hear from the Commission on Aging and the next move is up to them," Gosnell said.

Powers said seniors have been circulating petitions, and have about 350 to 400 signatures opposing the move to the fish hatchery and about 100 signatures on a petition calling for a recall of the COA Board.

Last Friday, Alice Snyder, the COA director, toured the Mayday Windows building as a possible relocation for the senior center.

"It can't hurt to go look and see if it would work for us," Snyder said.

Vacant property between the Admiral Gas Station and Kentucky Fried Chicken, and where the Super 7 Motel was located next to Huntington Bank, are also being considered for senior center sites. The former "Ben Franklin" store, in downtown Grayling, is also being weighed as an option.

"The list of options continues to grow," Snyder said.

Over the next several months, the COA board will be developing a list of criteria on how the options for a new location will be considered and evaluated.

"It all takes time," she said.

Snyder acknowledged that the Crawford County Board of Commissioners would have the final approval on any relocation plans, since the COA is considered as a department of the county. Commissioners appoint members for the COA board.

"Ultimately, whatever we do and wherever we go, the county board of commissioners has the final say," Snyder said.

Replacement of jail dryer approved

by Dan Sanderson
Staff Writer

The Crawford County Board of Commissioners gave the green light for the replacement of a clothes dryer that caught fire in the county jail earlier this month.

The commercial dryer will replace a 12-year-old dryer that was placed in the jail in 1996, when an addition to the jail was completed.

The dryer, which is coming from Universal Laundry of Wetland, will be delivered around Feb. 1.

Crawford County Sheriff Kirk Wakefield was given approval to spend \$5,391 to replace the dryer.

The funds are coming from the jail's commissary fund. The commissary is run by the jail staff and allows inmates to purchase undergarments, food and toiletry items while they are in the jail.

Proceeds from the commissary fund must be used for the welfare of the inmates and the betterment of the inmates in the jail.

The dryer is used 24/7, 365

days a year, said Crawford County Sheriff Kirk Wakefield. Jail trustees, under the supervision of corrections officers, wash the clothes in the jail. There is currently \$7,898 in the commissary fund.

"You have to really show a benefit to the inmates, and this is definitely a benefit to the inmates and to the facility," Wakefield said.

The Grayling City/Township Fire Department was dispatched to a fire, that occurred at the Crawford County Jail, on Saturday, Jan. 12. The fire destroyed the clothes that were in the dryer, but did not cause any damage to the rest of the jail facility and no injuries occurred.

The inmates did not have to be evacuated, and fans were used to remove smoke from the jail.

Replacement of the dryer was crucial to jail operations. Wakefield said his numbers in the jail have been up over the last several months, due to a change in state sentencing guidelines, which calls for more inmates to do time in the county jail rather than in prison.

Hanson Hills to host annual Winter Fun Days

by Dan Sanderson
Staff Writer

A big air competition, a cardboard sled box race and a swimsuit slalom - it must be time for Winter Fun Days at Hanson Hills.

Hanson Hills will hold its annual Winter Fun Days on Friday, Feb. 1, through Sunday, Feb. 3.

Hanson Hills is hosting a variety of events and activities to get people to come out and enjoy the white stuff and to visit the recreation area.

"We have an awesome asset here that a lot of people don't know about," said Joni Duncel, the program director for Hanson Hills. "Years ago, the winter carnival was huge here, and we need to get that back."

Winter Fun Days kicks off with the WUPS 98.5 ski night on Friday. Lift tickets for the evening are only \$1, or \$1 per hour of tubing, at Hanson Hills. The discounted rates on Friday nights will be offered throughout February.

"We're trying to boost our business on Friday nights, so we're going to give that a whirl and see if it works," Duncel said.

A dance will be held on Friday from 6 p.m. to 8 p.m. for middle school students. The dance will be open from 8:30 p.m. to midnight for high school students. The dance will feature Dynamic James DJ, a business run by Jim Brown, the music teacher at the AuSable Primary and Grayling Elementary Schools.

2007 Winter Fun Days Big Air Competition

Admission to the dance is \$5, and is being held to raise funds for the Hanson Hoppers Park, the new playground that will be built at Hanson Hills later this year.

The Riverrats Adventure Race, which includes snowshoeing, cross country skiing and orienteering competitions, will be held at 7 a.m. on Saturday.

A big air competition, where participants will be competing on their skis and snowboards, will be held at 2 p.m. on Saturday.

The tug of war, a new event for Winter Fun Days, will be held at 4 p.m. in front of the lodge at Hanson Hills. Teams of four will be competing in the snow. A marshmallow roast, another new

Winter Fun Days activity, will be held at 7 p.m.

On Sunday, the Michigan Cup Sprint races will be held at 10 a.m. The Michigan Cup, which is celebrating its 25th year, includes a series of 20 races held throughout northern Michigan, with four of the races being hosted at Hanson Hills.

A chili cook off, sponsored by the American Legion Post #106, will be held from noon to 2 p.m. on Sunday. People will be able to sample and vote for the chili that they think is best being served by local restaurants and bars.

"It's a popular event, and people like to come in from the cold and try out all the different

chilies," Duncel said.

The cardboard sled box race, sponsored by the Grayling Boy Scout Troop #995, will be held at 1 p.m. on Sunday. Contestants can only use cardboard, tape and paint to create their sled boxes, which must be four-sided. The participants must also wear a helmet during the competition.

Finally, a swimsuit slalom, where participants will be wearing swimsuits as they ski and snowboard down the ski hills, will be held at 3 p.m. on Sunday.

"It's our version of the polar dip," she said.

Lift tickets are free on Saturday and Sunday during Winter Fun Days activities.

Armored vehicle coming to Grayling

Continued from Page 1A
Office and will be covered by the county's insurance policy.

Wakefield will take possession of the vehicle on Feb. 13.

The Crawford County Board of Commissioners passed a resolution, last week, agreeing to hold Grand Traverse County harmless for any liability involving the purchase of the vehicle. Grand Traverse County is serving as the fiscal agent with the U.S. Department of Homeland Security in order to procure the equipment. Three additional transport vehicles, which will also be used by the Northern Michigan Mutual Aide, are also being procured through the federal agency.

A side scan sonar, which is used to detect a drowning victim under water, is also being received by Northern Michigan Mutual Aide's dive team. Other equipment for hospitals and ambulance services is also coming.

The funds to purchase the equipment are coming through the Region Seven Homeland Security Planning Board, which includes representatives from 17 northern Michigan counties. The board meets to address the shortfalls and capabilities that law enforcement and emergency responders have and how manpower and assets can be deployed if a terrorism act occurs.

Keith DeYoung, the chairman of the Region Seven Homeland Security Planning Board and the director of emergency management and homeland security for Grand Traverse County, said deploying a tactical vehicle such as the BearCat may convince a barricaded gunman to give up before taking their own lives or the life of a police officer.

"This just prepares law enforcement to do their job safely," DeYoung said. "Through a piece of equipment like this, hopefully, lives will not be lost."

Wakefield said that the Northern Michigan Mutual Aide SWAT team gets called out a couple times a month. The individual counties or city police

departments pay the salaries of the officers and overtime when they go out on a call.

"In simple terms, it all comes out in the wash," Wakefield told county commissioners about the manpower cost of having the team respond to an incident.

Wakefield, and two deputies from the Crawford County Sheriff's Office, are on the SWAT team.

Northern Michigan Mutual Aide responded to the 125 car pileup that occurred on I-75, just north of Grayling, on New Year's Eve in 1998.

"We help each other because none of us on our own can afford to handle catastrophes like that," Wakefield said.

Special tax assessment plans dropped in Frederic

Continued from Page 1A

Keys said some township land owners were going to force a referendum vote if the special assessment district would have been approved, so he was pleased to put the millage issues in the hands of the voters.

"That's how it should have been done to begin with," Keys said. "I was glad to see Doug come forward like he did."

Township resident John Miller was in favor of the special assess-

ment district, but was pleased to see the township board follow the sentiments of the people who spoke up at the meeting.

"Right now, with the way the economy is, I don't think people can afford any more millage," Miller said. "People have got by here for little or nothing."

Karen Fiebig, who lives near Grand Rapids, has a large tract of land in Frederic Township that has been owned by her family for five generations. Fiebig, who

contacted state and local officials about the special tax assessment, was among a handful of residents who rallied people to oppose the measure.

"I think people need to know and be able to make decisions for themselves, that's what our country's all about," Fiebig said.

Phil Wheaton, a township resident and owner of a construction company, said he was pleased with the outcome of the meeting.

"I have no problem with the

fire department and the job they do, I just don't want to give up the right to vote on stuff," Wheaton said.

'Michelson Singers' to present concert

On Sunday, Jan. 27, Grayling's "Michelson Singers" will present a "Wintery Afternoon Concert," at 3 p.m., in the sanctuary of the Community of Christ Church. No admission will be charged, however, donations will be accepted. The money raised will be used by the singers to help defray the expenses of a concert tour of the southeastern United States, scheduled for the winter of 2009.

The concert will feature a wide variety of music ranging from "Sounds of the 50s" to classic

southern style gospel. Especially for this concert, the 'singers' will present some of the more popular Christmas arrangements they have presented at past concerts during the Christmas season.

The "Michelson Singers" are a Grayling based choral group and have been performing as a group for almost 20 years. They got their start at Michelson Memorial United Methodist Church, where they were organized as a supplement to the Chancel Choir. From that beginning the group has continued to rehearse and perform

throughout the United States, Canada and Europe. They have performed at International Choral Festivals in North Carolina, Vermont and Austria. They have performed concerts in such places as the Saltzburg Cathedral in Germany, Melk Abby in Austria, the Vienna City Hall, the Community Church in Stowe Vt. and the Sudbury Street Theatre in Toronto.

The Community of Christ Church is located on North Down River Road, just before the I-75 overpass.

Clarification

In an article, which ran in the July 17 edition of the Avalanche titled "Street sweeper cited for dumping at Skyline," it incorrectly said that James Hilbrecht, the owner of Northern Power Sweeping, Inc., disposed of waste at the ski and golf club from 2000 through 2004. Hilbrecht said he only dumped waste on the property one time during that period.

Injustice anywhere imperils all of us

IN OBSERVANCE of the memory of Martin Luther King Jr., students often are assigned to write an essay reflecting on his life and his struggles for racial equality.

In some Lansing schools, the theme assigned was from one of Mr. King's speeches: "Injustice anywhere remains a threat to justice everywhere."

Here's what one student wrote (reprinted here with author's permission):

"INJUSTICE ANYWHERE remains a threat to justice everywhere" makes me think about what we as Americans have done in the past. We as Americans can make a better future by learning from our history.

An example of this is when the Japanese bombed Pearl

Harbor on Dec. 7, 1941. The American people all of a sudden jumped to a conclusion that people of Japanese ancestry would not be loyal to the United States, but would help the enemy. The American people then rounded up all the Japanese Americans living near the west coast and put them in relocation camps. That was not fair treatment to the Japanese Americans, because it was later found out that none of the Japanese Americans were disloyal to the United States. That is an example of injustice because the Americans violated the rights of the Japanese Americans, two-thirds of whom were born in the United States.

The reaction of Americans after the attacks on Sept. 11, 2001, was an example of race discrimination. The 19 terrorists

were all thought to be from the Middle East. The American people were very suspicious of people who had Middle Eastern backgrounds. Airport security paid more attention, and searched people who might be from the Middle East. There were reports of violence and intimidation toward people from the Middle East. Some Americans even burned houses of Middle Eastern families. Americans have also been said to have used very hurtful phrases toward people with Middle Eastern heritage. That was an example of injustice because the American people were treating the Middle Eastern people unfairly.

The controversy over immigration today shows how people are not very accepting of people who are different. For example,

many Hispanics who were born in America have been labeled as being illegal immigrants. The U.S. government is so unaccepting of newcomers that they are planning to build a 700-mile fence along the U.S.-Mexico border. The United States government could share some of its wealth to help improve Mexico's economy so the people in Mexico would not need to come to America.

Martin Luther King Jr. was a man who fought for the rights of all people. More people should learn to be like him. The world would be a better place. Sharing your ideas and learning from others would make the world a more peaceful place.

THESE THOUGHTS were put into words by Adam Epstein, 12, a seventh grade student in

the Waverly schools. Adam is my grandson.

His essay earned top honors from the Greater Lansing Area Martin Luther King Jr. Holiday Commission from among efforts by Lansing area middle school students. Grandparental pride aside, I can understand why.

In simple language and few words, Adam's essay shows the truth and broad application of Rev. King's message that injustice anywhere threatens justice everywhere.

It shows that Martin Luther King's struggles for equality and freedoms reach much further than the fight for racial justice for black Americans. Once accepted anywhere, prejudice and injustice remain threats to justice for any one of us, and eventually for all of us.

Adam's essay shows that he

understands this message. If more of today's young people, like this seventh grader, also take this message to heart, the future for all Americans glows a bit more brightly.

Martin Luther King Jr. was "a man who fought for rights for all people," Adam writes, adding this advice: "More people should learn to be like him. The world would be a better place."

Amen, Adam. I'm sure Rev. King would embrace your message, just as you have embraced his.

As his grandfather, I'm proud of Adam Epstein. I'm confident Martin Luther King Jr. would be, too.

EDITOR

Think about your actions

To the editor:

To the individuals who intentionally plowed snow onto the trail road, that goes to our residence off of Stephan Bridge Road.

If you have a problem with the gentleman that plows the front and leaves snow on Stephan Bridge Road, then I suggest you talk to him and not create more problems for others.

We have an 80 year old mom

with medical problems, which could require an ambulance to transport her. Due to the childish actions on your part, they would not have been able to reach her.

I do hope you will stop and think about your actions in the future. You can contact our very fine sheriff department if the snow in the road is a problem. They can take care of it the right way.

WASHINGTON NOTES

By Carl Levin, U.S. Senator (D-Michigan)

This year in Congress

From Iraq, to concerns about the state of our economy and the continued loss of manufacturing jobs, to health care for our kids, to foreclosures and protection for American consumers, our nation faces many challenges in the coming year.

While there is an enormous amount of work to be done, in 2007, Congress began to make some long-overdue progress on pressing issues.

For too long, the President and Congress have failed to take action to address the real needs of our manufacturing sector. In the past seven years, over three million manufacturing jobs have been lost, including 240,000 in Michigan. We urgently need to implement a comprehensive manufacturing policy. Back in May, a number of us proposed the American Manufacturing Initiative (AMI) to ensure that our manufacturers and workers can compete globally on a level playing field.

Despite a lack of support from the administration, Congress has acted on some of our AMI proposals that will benefit workers. We also enacted the "America Competes Act," which will help our manufacturing competitiveness by significantly increasing support for the Technology Innovation Program and the Manufacturing Extension Partnership and increasing support for programs in high-risk,

high-reward research. These steps are a small down payment on what needs to be done.

The loss of manufacturing jobs is just one of the challenges facing Michigan. Congress also took much-needed action to help American families make ends meet in this tough economy. We passed the most significant measure to make college more affordable since the GI Bill after World War II. We increased the minimum wage for the first time in a decade, benefiting an estimated 13 million Americans. And with gas prices reaching record highs, Congress passed an energy bill that takes a first step towards breaking our nation's dependence on foreign oil and combating global climate change.

Bipartisan majorities in Congress took action this past year on other critical issues as well. After media reports exposed unacceptable conditions at the Walter Reed Army Medical Center, Congress passed the "Dignified Treatment of Wounded Warriors Act." This historic reform, which I co-sponsored, will improve the way we provide medical care and ongoing support to the men and women who have served our nation, and it will be enacted soon with bipartisan support.

I am also pleased to report that Congress enacted the most significant ethics and lobbying reform

in more than a decade, requiring transparency in lobbying. And we passed a fitting tribute, to the University of Michigan Transplant Team that died tragically in June, with legislation I authored that will make it easier for people in need of organ transplants to receive organs from compatible donors.

Congress tried to renew and expand the successful Children's Health Insurance Program, but our bipartisan efforts were vetoed twice by President Bush. The program currently provides health insurance for 55,000 Michigan children and 6.6 million children across the nation, and the legislation would have extended health coverage to an additional four million kids.

President Bush also vetoed -- for the second time -- legislation that would allow the use of federal dollars to support embryonic stem cell research. This research may hold the key to treating and even curing life-threatening diseases and conditions including Parkinson's, Alzheimer's, diabetes and spinal cord injuries.

The most divisive and pressing issue continues to be our policy towards Iraq. During the year the Senate voted on my amendment that would set a date to begin a sensible, safe withdrawal of American combat troops from Iraq. This would put pressure on the Iraqi government to reach a

political settlement, which represents the only hope of ending the conflict. Although my plan has garnered bipartisan support from a majority of the Senate, it has been filibustered, allowing the current stay-the-course, open-ended policy to continue.

We have an opportunity to make critical progress in 2008.

I expect final action on a farm bill to expand nutrition assistance, increase our commitment to conservation and help Michigan's diverse agricultural economy thrive. I will fight for legislation that allows embryos, that would otherwise be destroyed, to be used instead for highly promising stem cell research. I will push for legislation to expand access to affordable health care and to make sure that Michigan's businesses and workers are competing on a level playing field with foreign competitors. And, as Chair of the Senate Armed Services Committee, I will continue to focus on ending the war in Iraq by seeking a timetable for redeploying more of our troops, and pushing Iraqi leaders to reach a political settlement.

We in Congress have our work cut out for us in the coming year to come up with solutions to the greatest challenges facing our nation.

Carl Levin is the senior U.S. Senator from Michigan.

VIEWPOINT

By Bill Manson, Executive Director Michigan Snowmobile Association

Snowmobilers fund trail grooming, not the DNR

Snowmobiling thrives in Michigan because of our picturesque natural resources and our superb trail network. The trails are maintained by grooming equipment purchased with fees collected almost entirely from snowmobilers. This is part of the process known as the "snowmobile program," which ensures the viability of the industry. The Department of Natural Resources (DNR) is a part of the process, but not a funding source.

The program is not funded through the state's general fund derived from the taxpayers. The state gasoline tax provides a portion of funding, but the vast majority of money used to groom (smooth), sign and maintain the trails comes from trail permits, and snowmobile registrations.

All three funding streams sent

\$7.3 million to the DNR this year. In typical government fashion, the department used \$2.1 million for "administrative costs" needed by the Forest Mineral Fire Management division to operate the snowmobile program. It's not entirely clear to the snowmobiling community why the department needs over 28% of the budget to manage the program.

It's necessary to clarify these issues due to recent state government communications stating that grooming is "funded through the DNR" and that "the DNR pays for the equipment that the clubs use to groom the trails."

The DNR does not pay for the equipment used to maintain our trails. As outlined above, most of the money comes from snowmobilers, and to a lesser degree, the gasoline tax rebate formula for

recreational vehicle use. Trail maintenance money is simply passed-through the DNR from users. It's mandatory under state law.

Snowmobilers, and the businesses that rely on the industry, do not have the DNR to thank for our world-class trail network. We pay for the necessary equipment and provisions. And more importantly, volunteers physically groom the trails. Without their tremendous contributions our trail system as we know it would not exist, and consequently neither would the economic stimulus generated by the snowmobile industry.

It's important to set the record straight for the future of snowmobiling in Michigan. The time is fast approaching when trail user fees will have to be increased to

pay for the snowmobile program. The DNR will undoubtedly insist on being a part of that process too.

As illustrated by the recent astronomical miscalculation of the Game and Fish Fund, we all have good reason to be reticent of the DNR's ability to accurately forecast program budgets. If snowmobilers are faced with increased user fees, they will deserve to know why. The answers should come from dedicated industry experts, not from state bureaucrats.

Under the current system the DNR does play a role in the snowmobile program that maintains Michigan's trails. Instead of talking about who should get the credit, the DNR should focus on providing efficient services to those that pay for state programs.

KCPA announces change in performing artist series

Officials for the Kirtland Center for the Performing Arts recently announced a change in the 2007-08 performing artist series.

Due to an illness to its founder and lead singer/songwriter, The Glengarry Bhoys have cancelled their current U.S. tour. The tour was to include a March 8, 2008, stop at the KCPA, located on the main campus of Kirtland Community College, near Roscommon.

But KCPA patrons won't have to worry about a potential open date. According to KCPA director Don Wray, The Glengarry Bhoys have already been replaced on the performing artist series schedule by The Clancy Legacy, featuring Aoife Clancy, formerly of Cherish the Ladies, Donal Clancy and Robbie O'Connell.

Aoife Clancy, Robbie O'Connell and Donal Clancy first

performed together at a workshop called "The Clancy Legacy" during the Irish Arts week in East Durham, N.Y., in July 2006. It was the first time the trio had performed together in that combination and the show was extremely well received. They immediately began to receive offers to do other concerts together and The Clancy Legacy was born.

The trio plays traditional Irish/Celtic music, with folk songs, Irish dances and jigs. Additional information about The Clancy Legacy may be found online at www.aoifeclancy.com.

The concert date and time remains March 8, at 8 p.m. Ticket prices also remain the same at \$22 and \$20, and are available at the KCPA Ticket Office by calling 989-275-6777 or may be purchased online at www.kirtland.edu/kcpa.

Chamber announces last minute Athena nominee

The Grayling Regional Chamber of Commerce has announced that Mary Ann Gosnell has been nominated for the ATHENA Award.

According to ATHENA International, there may be additional write-in nominations at any time prior to the event.

The selection committee, consisting of the past five award recipients, Lynn Porritt-McConnell, Lanice Rutter, Kay Cosgray, Ann Stephenson and Linda Golnick, are given the task of making the selection of the award recipient this year.

The other nominees are April

Bertram and Gerri Schroeder.

The awards presentation will be held on Jan. 26, at the Ramada Inn Grayling, beginning at 5:30 p.m. with a social hour.

The evening will feature community awards for the Chamber Ambassador of the Year, the Silver Lining Award, the Golden Pineapple Award, the ATHENA Award and Citizen of the Year Award.

For more information on attending the event, contact the Grayling Regional Chamber of Commerce at 989-348-2921, or visit our Web site at www.graylingchamber.com.

Mediator training begins in April

Community Mediation Services will offer mediator training, beginning April 10, at the Huron Shores Campus. This training meets the MCR 2.411 requirement for the General Civil Mediator Roster. The schedule is Thursday from 2 p.m. to 6 p.m., Friday and Saturday from 9 a.m. to 5 p.m. for April 10, 11 and 12, and again the following week on April 17, 18 and 19. You must attend all 40 hours of the training to be qualified.

The cost of training is \$50 per person if you are willing to be a volunteer mediator for Community Mediation Services for two years. If you do not want to be a volunteer mediator for us, the cost of training is \$500 per person. Your course materials will be provided. You will

receive a certificate of successful completion of training and internship. Snacks and beverages, as well as lunch on Friday and Saturday, will be provided.

Mediators are community volunteers who receive specialized training in conflict resolution techniques and communication skills. This is a 40-hour class approved by the Michigan Supreme Court Administrative Office. All Michigan mediators are required to take this basic initial training. Following training there is an internship, i.e. observation and co-mediation period, to assure that the new mediator is competent.

For additional information, call CMS at 989-732-1576. Regular office hours are weekdays from 8 a.m. to 4 p.m.

The winner of the Grayling Lions Club Lucky 13 raffle of \$300 is Curly LaMotte.

Grayling Little League to host Registration Night

Grayling Little League will conduct its Player Registration Night on Monday, Feb. 4, from 6-8 p.m. at the Grayling Ramada Inn. Members of the Grayling Little League Board - and officials from each division - will be present to register players.

The player registration fee of \$35 (family max of \$90) is due at the time of registration, as well as a \$20 per player (family max of \$40) fund-raising fee. For the fund-raising fee, each player will receive two Subway Cards that can be sold for \$10 each to offset this fee. Grayling Little League is also hosting a contest for all players willing to sell additional Subway Cards. Players selling the most cards will be eligible to win prizes.

Players for Grayling Little League baseball can register for their division - Minors (age 7-8), Intermediate (age 9-10), Major (age 11-12) and Juniors (age 13-14) - at registration night. Players must be at least 7 years old by April 30 to play.

Grayling Little League softball divisions will also be registering players. Softball offers the same age divisions for girls as baseball offers, but has an age

cutoff of Dec. 31.

"The softball program has gained momentum in the last few years and more girls are playing the sport. Grayling Little League is working hard to improve the softball program," league officials said. "We want more girls to choose softball right from the beginning, since that is the sport they can play for the rest of their lives. Softball is a competitive sport offered in high schools, colleges and communities all over the country. Softball is similar to baseball, but the field, the rules, the equipment and the body mechanics are different, and it is important that players learn the fundamentals of softball from an early age. While Grayling Little League allows girls to play in all baseball divisions, they will be encouraged to play softball where they can develop and excel in a sport that they can play the rest of their lives."

For more information about softball, call Ann Malm, VP of Softball, at 348-3219.

The tee ball division will again be offered for boys and girls ages 5-7 by April 30. Registration for tee ball is \$10 per player.

Second City to perform at Kirtland

Chicago's legendary comedy theater, The Second City, will take center stage at the Kirtland Center for the Performing Arts, on Kirtland Community College's main campus near Roscommon, at 8 p.m. on Saturday, Jan. 26.

Founded in Chicago in 1959, The Second City has become the training ground for some of the comedy world's best and brightest. The theater's alumni list reads like a who's who of American comedy and includes: Alan Arkin, Joan Rivers, Robert Klein, Peter Boyle, Harold Ramis, John Belushi, Dan Aykroyd, Bill Murray, Gilda Radner, George Wendt, Martin Short, John Candy, Chris Farley, Mike Myers, Julia Louis-Dreyfus and countless others.

The Jan. 26 performance at the KCPA will feature some of the best sketches, songs and improvisations from The Second City's 45-plus year history.

Not only will an evening with The Second City provide audiences with the chance to see comedy stars in the making, but they will also have the opportunity to see absolutely hilarious satire and cutting-edge improvisation. No topic or subject matter is off limits for The Second City. If your parents asked you not to speak about it at the dinner table, chances are it will be made fun of in an evening with The Second City.

The Jan. 26 performance is sponsored in part by Eagle 101.5 FM, Bradley's Furniture of Roscommon, the Michigan Council for Arts & Cultural Affairs and the National

Endowment for the Arts.

Tickets for The Second City are \$22 and may be purchased online at www.kirtland.edu/kcpa or by calling the KCPA Ticket Office at 989-275-6777.

Child care services - \$5 for one child or \$10 per family - will be available during the performance at the Children's Learning Center located on the campus. Parents are encouraged to call in advance.

For more information regarding the child care services or upcoming performances, persons may call the KCPA Ticket office or 989-275-5000, extension 232.

The Bible Speaks

Legalism Destroys

In Romans 7:4 God used the analogy of marriage to teach us that we cannot be sanctified or made holy by keeping the law, but rather by our marital union with Jesus Christ. "4Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God." Now in Romans 7:5 God expands upon why we are dead to the law by the body of Christ. "5For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death."

First, God deals with our flesh and the law. "For when we were in the flesh..." The meaning of the word flesh here refers to that sensual or carnal human nature we received from Adam. The Bible identifies the works of the flesh in Galatians 5:19,20 as evil and not good. "16For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world." (1 John 2:16). Our natural or carnal mind and nature are opposed to God and His law in

Romans 8:7: "7Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be." This is the challenge to the believers at Corinth in 1 Corinthians 3:1,3: "1And I, brethren, could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ.... 3For ye are yet carnal: for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men?"

Second, the failure of our flesh has been multiplied instead of diminished by our past reliance upon law or legalism; "...the motions of sins, which were by the law, did work in our members..." The word translated "motions" is also translated "affections" in Galatians 5:24, "afflictions" in Hebrews 10:32, and "sufferings" in Romans 8:18. In other words, instead of making us more holy, our carnal nature rebels against law and multiplies our sins and sufferings. We must trust God's Son and Spirit and not our flesh to give us victory over sin. "8So then they that are in the flesh cannot please God. 9But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his." (Rom. 8:8,9).

"3For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: 4That the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. 5For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit." (Rom. 8:3-5).

Third, trusting our flesh to obey law or legalism to make us holy ends in discouragement, defeat and death. "5For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death."

"12Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. 13For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live." (Rom. 8:12,13). Legalism destroys, but Jesus Christ delivers. Pastor "B"

The Cuttage would like to thank all our clients for a successful holiday season.

We would also like to announce the addition of our new hairdresser, Wendy Boyk from Canton, Michigan. She just moved to Grayling and is excited to build a new clientele here.

We also have a full time Massage Room. Nicole Pratt has joined our staff and her new "Try Me" prices are great. She is available most anytime the shop is open.

AREA EVENTS

Traverse City - The Dennon Museum Center, at Northwestern Michigan College, will present the amazingly talented young jazz singer Rachael Price on Saturday, Feb. 2, at 8 p.m., in the Milliken Auditorium. Tickets are \$25 in advance, \$28 at the door and \$22 for museum members. Tickets may be purchased by calling the Museum Box office at 231-995-1553 or online at www.dennosmuseum.org.

Born in Australia, raised in Nashville, Tenn., Price began her career at the age of 18, opening for Joshua Redman at New Haven's "Jazz On The Green," and receiving a standing ovation. Ever since then, she's been wowing audiences, critics, and other professional musicians alike with her rich, exuberant voice and engaging performances.

Stories, Scribbles and Wiggles. This program is for children, ages 3 to 5, and their parents or grandparents. Each session includes activities in the galleries, a related story, and an art project. Museum admission applies (member's admission waived) plus a \$1 art supply fee. Reservations recommended (a maximum of 25 youth per program). Contact Diana Bolander at dbolander@nmc.edu or (231) 995-1029 to register. Program time: 10:30 a.m. - 11:30 a.m.

Monday, Jan. 28, Exploring the

West: Chatham Landscapes; Monday, Feb. 25, Myth and Color of the Woodland Indian; Monday, March 24, Inuit Animals; Monday, May 19, CANVAS: Exploring a 3D Environment; Monday, June 23, Light and Color.

Join us for a Family Day, celebrating all things winter, this Saturday, Feb. 9. Stay toasty warm in the museum while creating Valentines for your sweetheart, learning about frosty Arctic Canada, and exploring the winter landscapes of Russell Chatham's Montana. Many art projects and activities will be available to entertain the entire family.

The Dennon Museum Center is hosting an Appraisal Day on Sunday, Jan. 27. Local art appraiser Don Butkovich will be at the Museum to verbally appraise your hidden treasures. Each person can bring a maximum of two items. The proceeds, from a \$5 fee per artwork, will generously be donated to the Dennon Museum Center's museum programming fund. Reservations required, call 231-995-1593 to reserve a time slot.

The Dennon Museum Center is open daily 10 a.m. to 5 p.m. and Sundays 1 p.m. - 5 p.m. Admission is \$4 adults, \$2 for children and free to museum members. For more information on the Museum and exhibition, go to www.dennosmuseum.org or call 231-995-1055.

The Dennon Museum Center is located at 1701 East Front Street, Traverse City, MI 49686, at the entrance to the campus of Northwestern Michigan College.

St. Ignace - The all-new Paul Bunyan Camp Breakfast & Ski will be held on the weekend of Jan. 26. This annual event is organized by the St. Ignace Visitors Bureau and the U.S. Forest Service with proceeds helping to maintain the camp and trails.

The fun begins at 8:30 a.m. with a real "Paul Bunyan Skillet Breakfast" at the Sand Dune Trails of the Hiawatha National Forest on Brevort Lake Road. A guided trail ski follows at 10 a.m. through the pristine trails of the forest. The trail provides a challenge for skiers as it winds through the ancient dunes of Lake Michigan. These timbered hills were once the blowing and shifting sands along the lakeshore.

At noon, there will be Camp Soup and Fireside - tall tales and Yooper yarns at the campfire with James Couling. Cost is \$15 for adults and \$10 for children 12 and under. For registration information, call 800-338-6660, or visit our Web site at www.stignace.com. A minimum of 20 participants is needed to hold this event.

**TIMBER SALES
FOREST, MINERAL & FIRE MANAGEMENT
DEPARTMENT OF NATURAL RESOURCES
STATE OF MICHIGAN**

Notice is hereby given that timber will be periodically offered for sale from State Forest lands. Sales are conducted for the purposes of harvesting mature and over mature trees, responding to past or predicted insect and disease outbreaks, salvaging fire-damaged trees, enhancing wildlife habitat and improving health of forest trees. All harvests are designed to enhance growth of the residual trees or to promote full and prompt regeneration.

Prospectus information regarding the purchase of standing timber (stumpage) is posted on the web at www.michigan.gov/dnr. Prospective bidders interested in receiving notice of sales may be placed on the mailing list for select Management Units or statewide. Bidders not on a list, and wishing to be added, may contact the Division Office (Department of Natural Resources, Forest, Mineral & Fire Management, PO Box 30452, Lansing MI 48909-7952, phone 517-335-3340, e-mail: toledan@michigan.gov) or their local Management Unit office.

Chamber spotlights Comfort Center Furniture

Comfort Center Furniture store was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award recipient for December.

Luke Petrosky Sr., and his wife Pauline, moved to Grayling with their six children in November 1975 to open a Comfort Center. The Grayling location opened one year after Luke's brother opened the original Comfort Center store in Traverse City.

The Grayling location has expanded to include stores in Prudenville and Gaylord. Luke II, and his wife Tammy, purchased the business from his father in September 2005.

Today, all nine northern Michigan stores are run by the Petrosky cousins. The Grayling location employs 14 employees.

Comfort Center Furniture specializes in bedding with brands such as Serta, Tempurpedic and Spring Air. In addition, they offer brand names in living room, dining room and bedroom furniture.

The Grayling Comfort Center Furniture store is located at 6351 West M-72, approximately one mile from downtown Grayling. They are open seven days a week, all year long.

The Grayling Regional Chamber of Commerce Ambassador's Club selected Comfort Center Furniture store as December's Spotlight-a-Member. Pictured L to R: Luke Petrosky Sr., Marilyn Hartman and Luke Petrosky II, current owner.

GHS band prepares for upcoming events

During the month of February, the Grayling High School Band has events occurring.

Saturday, Feb. 9, the band will compete in District Solo and Ensemble.

Soon after, Feb. 11, the band is having its Pre-Festival concert. "This event is quite significant for it portrays our musical talent at its finest," said band director Matt Bishop.

February 23 is the high school band festival at Elk Rapids, where we will compete for hon-

ors. On March 1, the middle school concert band will be traveling to Elk Rapids to compete in this contest as well.

The top few of the band will compete in the State Solo and Ensemble.

The Fine Arts Extravaganza will take place on March 25, in the Grayling High School Auditorium.

In conclusion, the high school band will be heading to Chicago on April 24 for their annual band trip. This trip will last until April 27.

Going the extra mile for those in need

Many people have been known to "go the extra mile" in their work and volunteerism, but one man has gone 140,000 extra miles, all for the welfare of others.

Donald Henry, age 71 of Grayling, and his wife, Shirley, age 74, were recently recognized by the Crawford County Department of Human Services (DHS) for five years of volunteer work, driving clients to doctor appointments and crucial medical treatments. Many people in the community have no reliable means of transportation and that's when the Henrys' wheels came to the rescue.

Born and raised in West Virginia, Don worked his way through life with jobs loading coal cars, and laboring in a rubber manufacturing plant, steel mill and paper mill. He also worked construction, auto repair and found time to serve his country for 17 years in the U.S. Air Force and Army.

Henry's last wage earning job was as a cab driver, but that came to an end on March 30, 1985, when a drunk driver plowed into his cab, leaving him with a broken neck and five crushed vertebrae. He was unable to work, especially any physical labor for which he was most accustomed.

In 1995, Henry moved to Grayling where he met Shirley, who helped him care for his first wife who passed away after a battle with cancer. During their time together sharing care-giving, they became good friends.

They talked about marriage, and asked each other, "Why not?" They had been through a lot together and were comfortable with each other. They liked each other. They were a perfect match. Both were compassionate people, selflessly helping others, and they kept going regardless of his disabilities and any hardships that came along.

Mrs. Henry retired after 25 years as a bus driver for those enrolled in the COOR-ISC programs for the developmentally challenged and disabled. It seemed only natural the pair should use their driving experience to help others.

Even though limited by his partial paralysis, Don said he needed "something to do." One day, he visited with Jim Lawless at the Family Independence Agency, now DHS, and explained his desire to help out with driving. After completing the necessary screenings, including one to determine his ability to operate a vehicle, Don began what became his mission to help others, with Shirley by his side

Don and Shirley Henry relax at home now as retired volunteers after volunteering their time for more than five years helping the Crawford County Department of Human Services Transportation Office. They logged 140,000 miles driving those in need to doctor and treatment appointments all over Michigan.

when needed.

Don's very first trip was to Cadillac, escorting a long-time Grayling resident to kidney dialysis treatment. It was a pleasant and uneventful trip for all, assuring Don he had signed up for something good.

Don said most of his trips were "easy-going," but recalled one trip to Ann Arbor when it took him over an hour to travel 12 miles. "Between Fenton and Brighton, there was nothing but black ice, but I used my head and kept going because we needed to get there," he explained.

From June 2002 to August 2007, Don said he "used up" two personally-owned vans. He put 60,000 on the first, a 1994 model, and 80,000 on the second, a 2001 model, which now sits semi-retired in his driveway. If the walls of those vans could talk, they would tell of the many people who sat waiting, some anxiously, to arrive at life-saving treatments. Don said many sat quietly, barely saying a word and others had stories to tell of their lives, family and friends.

"It's been something good to do and I've met a lot of interesting characters," Don said. "And, it gave me a little spending money." DHS volunteer drivers receive 32 1/2 cents per mile driven as a reimbursement for their gasoline expense.

"Don was extremely generous with his time and almost never said 'no' to a request to drive someone somewhere," said Martha Burns, DHS Services Supervisor. "He went in the worst weather and, at times, in the middle of the night. He was committed to the people DHS serves and was always there for them."

"Don always had a positive attitude and never had a bad word to say about anyone," Burns con-

tinued. "Shirley was his 'co-pilot' when he needed someone to accompany him on a long journey. She was always willing to go and happy to give people a ride when they were in need."

Burns said Don also did some driving for patients at Mercy Hospital when they had no way home from the hospital, either after a hospital stay or a trip to the Emergency Room.

"Don and Shirley exemplify the best of volunteer spirit," Burns said.

Now that Don and Shirley have "retired" from their volunteer driving, Burns said the agency is in dire need of volunteer drivers. DHS not only reimburses for gasoline, but also provides meal allowances when travel goes over meal times.

"Most trips are around northern Michigan, but occasionally, we have a need to provide transportation out of the area, like to Ann Arbor, Detroit or Saginaw," explained Burns.

While most clients use the transportation services for medical appointments, some clients need transportation for other important reasons and DHS tries to help get them to their destinations through the volunteer driver program. All referrals for transport are arranged through the Crawford County DHS Transportation Office.

Burns urges anyone who would like to become a DHS volunteer driver to contact her at (989) 344-5105. Volunteers need to hold a current, valid drivers license, a vehicle in good working condition, and appropriate insurance coverage. Volunteers will be screened by the Secretary of State and undergo a Central Registry and Criminal History background check.

Submitted by Crawford County DHS.

Wrestling team defeats Mio, Traverse City St. Francis

Vikings move to 4-0 in LMC with victory vs. Gladiators

■ *Grayling wins 39-30 vs. TCSF, 39-35 vs. Mio Thunderbolts at GHS on Thursday night*

by Caleb Casey
Senior Staff Writer

Grayling High School's varsity wrestling team defeated the Traverse City St. Francis Gladiators and the Mio Thunderbolts in a meet held at GHS last Thursday.

In the Mio vs. Traverse City St. Francis battle, Mio won by a final team score of 36-30.

In the second contest of the night, Grayling wrestled against the Traverse City St. Francis Gladiators.

Joe White (112) won by default to give Grayling a 6-0 lead. TCSF won the 119-pound division 16-2 for four team points. Traverse City St. Francis won by pin in the 125-pound weight class.

Josh Moggo (130) won a 5-2 decision for three team points. TCSF led 10-9.

Stephen Grove (135) won by default. Zach Wolcott (140) won by pin in the first round. Mykel Revord (145) won by default, and Grayling led 27-10.

In the 152-pound weight class, Cody Collen and his Traverse City St. Francis opponent ended the third round with a 5-5 tie. In overtime, Collen scored a quick takedown and pinned his opponent for six team points. The Vikings had a 33-10 advantage.

8th graders win basketball tournament

Six 8th graders from Grayling Middle School recently finished 1st in an all-day Magic Shoot-out tournament. Grayling defeated Traverse City Central, West Branch, and Charlevoix to earn a spot in the finals vs. Cadillac. Grayling defeated Cadillac 62-44 in the championship game to win the tournament. The team consisted of Thomas Burrell, Devon Dawson, Griffin Dean, David Bergan, Zane Tobin, Steven Enos, and Coach Rocky Tobin.

JV basketball squad falls to Bucks 59-40 on Tuesday

The GHS junior varsity girls basketball team lost a road game to the Roscommon Bucks 59-40 last Tuesday at Roscommon High School.

The Bucks led by 14 points after one quarter (22-8), 12 at halftime (32-20), 17 after three periods (47-30), and 19 at the final buzzer.

Leading scorers for the Vikings included: Teresa Schreiber, 10 points; Kirstie Wakeley, 7 points; Haley Wiseman, 6 points; Naomi Anglemeyer, 6 points; Katie Lange, 4 points; Mackenzie Harwood, 4 points.

"We came out flat in the first quarter and got down big, 22-10. After that we were able to stay with them and cut into the lead here and there and keep the pressure on them, but could never make it back into the game. I was

very happy with the effort that the girls gave. We struggled defensively in the first quarter, but our defense became more solid as the game went on. Offensively, we were consistent from one quarter to the next, which is a positive," Coach Craig Hofman said. "We still need to score more and hit our shots, but to not have quarters that we score a lot and then one that we don't will help us in the long run."

"I was very pleased with the ball handling and overall game of Katie Lange. She has really improved this year and is becoming a good ballplayer. Jessica Zarnick also was having a solid game, but unfortunately she hurt her knee during the game. Mackenzie (Harwood) also played a tough game and had many rebounds," Coach Hofman said.

The Vikings (2-10) will play on the road at Charlevoix on Thursday, Jan. 24, at 6 p.m.

9th graders fall to Rams, Gladiators

The GHS freshman boys basketball squad lost to the Harbor Springs Rams 56-34 at Harbor Springs on Tuesday, Jan. 8.

Leading scorers for the Vikings included: Jensen Aubry 11 points, 5 rebounds, 4 steals; Jake Helsel, 9 points, 9 rebounds, 4 blocks, 2 steals; Jake Small, 8 points, 4 rebounds, 2 steals; Ethan Lewis, 6 points, 5 rebounds, 5 steals; Ryan Teeple, 11 rebounds, 2 steals.

"Again, we ran into a team that was quicker than us, and they hurt us in transition. It was obvious from start to finish that they

came to play and they wanted it more than us," Coach L.J. Mead said. "We need to show more heart and effort. Jensen Aubry had a strong game in the post for us, as he continues to become a strong threat for us. Luke Schneider and Nick McDonald played strong on the defensive side of the basketball."

In a game played at Traverse City St. Francis last Wednesday, the Vikings lost to the Gladiators by a final score of 69-47.

Grayling's leading scorers included: Lewis (13 points), Aubry (12 points), Helsel (11

points), Schneider (4 points), Brent Steffey (3 points), Teeple, (3 points), and Small (2 points).

"Mental errors left us struggling to execute offensively during the first half of the game. This left us with another big deficit at halftime that we could not overcome. We played better the second half. Luke Schneider played strong for us at the point guard position. Jensen Aubry played physical in the post and continues to play solid for us," Coach Mead said.

The Vikings (2-7) will play at Charlevoix on Friday, Jan. 25.

GMS BASKETBALL

Grayling Middle School's 8th grade boys basketball "green" team finished its 2007-2008 season with two wins vs. the Roscommon Bucks last week. The squad ended the year with a 10-1 overall record.

The Vikings won by a final score of 60-15 at Roscommon on Monday.

"Beating Roscommon is always a good win. This is - and always will be - a big rivalry," Coach Rocky Tobin said. "These kids were extremely fired up for this game. (They) came out with a lot of enthusiasm and played a great game. Once again, our full court press worked really well, causing Roscommon to turn the ball over. Offensively, our transition game worked great. We got the ball to our guards, filled the lanes, and got easy buckets."

Leading scorers for Grayling were: Steven Enos (14 points), Zane Tobin (10 points), David

Bergan (8 points), Griffin Dean (6 points), Thomas Burrell (6 points), Devon Dawson (6 points), Zach Schreiber (5 points), and Xavier Lindsey (5 points).

"We only had eight players because two of our guys are out for the season due to injuries," Coach Tobin said. "Riley Zigila broke his ankle in gym class and Travis Schreiber hurt his knee in practice."

In the team's season finale last Wednesday, the Vikings defeated the Roscommon Bucks 50-11 at GMS.

"This was a great way to end our season - beating our rivals. These kids played another really good game. Everybody got some good quality minutes and played their role. They said before the game they wanted to end the season with a win, and they did," Coach Tobin said.

Grayling's scoring leaders

included: Bergan (11 points), Tobin (9 points), Enos (8 points), Burrell (8 points), Lindsey (8 points), Dean (4 points), and Z. Schreiber (2 points).

"I can't say enough good things about about these kids. Each one of them had a role to play on this team, and they did it with pride. They worked very hard in practice this year, and it showed in our season. To end the year with 10 wins and one loss is a great season," Coach Tobin said. "These kids are very special to me because a lot of them I have coached since they were in the fourth grade. This is one season I will never forget. I will miss coaching these guys, but I look forward to watching them play in high school. I told them if they want to get to the next level, they will have to work hard in the off-season with Coach (Rich) Moffit and his coaching staff."

Bucks win varsity game vs. GHS 51-31 at Roscommon

The Grayling Vikings lost to the Roscommon Bucks 51-31 in a varsity girls basketball contest played at Roscommon High School last Tuesday.

The Bucks led by four points, 12-8, after one quarter.

Roscommon had a 25-12 advantage at halftime. RHS outscored GHS 26-19 in the second half to win by 20 points.

"As a team, we shot 100 percent from the free-throw line. We were (six for six). Free throws

have been a focus for us, and it is good to see all the practice pay off," Coach Kelly Sheehan said.

Laura Boylan had 8 points, 8 rebounds, and 4 blocks for the Vikings. Sam Schreiber had 7 points and 1 steal. Annie Melroy

had 8 points. Ashley Feldhauser had 4 points and 4 rebounds. Rachel Doremire had 4 rebounds.

Grayling (1-11) will play at Charlevoix on Thursday, Jan. 24. The Vikings will host East Jordan on Tuesday, Jan. 29.

Vikings start strong but unable to finish in 61-49 loss at TCSF

■ Grayling leads 34-30 at halftime of Wednesday's game, but Gladiators win by 12

The GHS varsity boys basketball squad lost its only game last week - a Lake Michigan Conference contest at Traverse City St. Francis on Wednesday night - by a final score of 61-49.

The Vikings led 15-14 after one quarter. Grayling had a 34-30 advantage at halftime, but the Gladiators outscored Grayling 31-15 in the second half to win by 12 points.

"I was pleased with our first half performance. We took care of the ball - only four turnovers - and did a nice job of running our offense. Our second quarter may have been our best eight minutes of basketball this season," Coach Rich Moffit said.

"In the second half, turnovers really hurt us. We had nine turnovers, which led to easy baskets by Traverse City St. Francis. Defensively, our kids did a nice job of 'defending' against Traverse City's top two players, Coach Moffit said.

"We need to improve our free throw shooting - 38 percent, field goal percentage from inside the arc - 34 percent, and our

turnovers in the second half," Coach Moffit said. "Despite the loss, we had a lot of positive things happen in this game. We shot 47 percent from the three-point line. Josh Stapleton played very well again. Josh shot (four for seven) from the three-point line."

Stapleton had 16 points and 2 steals for GHS. Rocky McNamara had 9 points and 7 rebounds. Trent Larm had 8 points and 4 rebounds. Richard Schreiber had 7 points, 7 rebounds, and 4 assists. Jason Drudge, Tyler Steffey, and Spencer Dean also scored points for Grayling.

Traverse City St. Francis won the junior varsity contest by a final score of 73-38.

Leading scorers for Grayling included: Joe Tottingham (13 points), Tyler Hanson (8 points), Wesley Willoughby (6 points), and Taylor Desenfans (2 points).

"Taylor Desenfans and Wesley Willoughby looked good coming off the bench. Tyler Hanson played well at both ends of the floor. We did not have an answer for their size in the post. Their two big kids scored 20 and 22, and probably could have had more," Coach Chris Kucharek said. "As a team we must trust

each other and start playing better team basketball at both ends of the floor."

Last Friday's scheduled home games vs. Boyne City were canceled.

The JV (4-6) and varsity (3-7)

teams will play at Charlevoix on Friday, Jan. 25.

Wrestling team defeats Mio, Traverse City St. Francis

Continued from Page 1B

Traverse City St. Francis won the next four weight classes - 160, 171, 189, and 215 - by decision, with scores of 2-0, 14-5, 10-7, and 11-3, respectively.

Kyle Peters (heavyweight) won by default. Traverse City St. Francis won the last weight class of the match - 103 pounds - with a first round pin.

In the final battle of the night, Grayling wrestled against Mio.

The Thunderbolts won the first weight class (119) with a 9-1 decision. In the 125-pound division, Will Fowler won by pin in the second round to give GHS a 6-4 lead. Moggo (130) won by default. Mio won the 135-pound weight class with a 14-5 decision. The Thunderbolts won by pin in the second round in the 140-pound weight class. Mio led 14-12.

Collen (145) won by default. Revord lost a 7-6 decision in the 152-pound weight class. GHS

led 18-17.

The Thunderbolts won the 160-pound division with a first round pin. Matt Haight (171) won by default, giving GHS a 24-23 advantage.

Eric Madill (189) pinned his Mio opponent in the second round to give Grayling a 30-23 lead. Joey Contreras (215) also won by pin in the second round.

Mio won the heavyweight division with a third round pin. The Vikings led 36-29.

Ashten Linkhart (103) won by decision, 7-5, to give Grayling a 10-point lead with only one weight class remaining. Mio won the 112-pound division with a first round pin, but Grayling won the match by a final score of 39-35.

Grayling's win vs. Traverse City St. Francis improved the team's league record to 4-0 in the Lake Michigan Conference. The Vikings will finish their 2007-2008 league schedule with a meet at Elk Rapids on Thursday, Jan. 24, at 6 p.m.

Grayling will compete at the Gaylord Invitational on Saturday, Jan. 26.

Josh Moggo (130) battles an opponent from Traverse City St. Francis.

NOTICE OF SHOW CAUSE HEARING AND JUDICIAL FORECLOSURE HEARING for NON-PAYMENT OF PROPERTY TAXES

On March 1, 2007, real estate with unpaid 2005 and/or prior years property taxes was forfeited to the Crawford County Treasurer pursuant to the General Property Tax Act, Public Act 206 of 1893, PA 206, MCL 211.1 to 211.157, as amended.

The Crawford County Treasurer is acting as the Foreclosing Governmental Unit in proceedings to foreclose on properties for unpaid 2004 and/or prior property taxes.

There are two hearings scheduled to finalize the foreclosure process. This publication is intended to provide additional notice to parties of interest in these parcels as to the nature, time, and location of these hearings.

A Show Cause Hearing is scheduled for 10:00 A.M. January 18, 2008 at the Office of the County Treasurer, Crawford County Building, 200 W. Michigan Ave., Grayling, MI 49738.

Any person with an interest in the property forfeited to the County Treasurer may appear at the Show Cause Hearing and redeem the property or show cause why absolute title to that property should not vest in the Foreclosing Governmental Unit.

A Judicial Foreclosure Hearing is scheduled for 1:30 P.M. February 7, 2008 at the Crawford County Building, Circuit Court Room, 200 W. Michigan Ave., Grayling, MI 49738.

At this hearing the Foreclosing Governmental unit shall ask that the court enter a judgment foreclosing property as requested in the petition for foreclosure. A person claiming an interest in a parcel of property set forth in the petition for foreclosure, who desires to contest that petition, **must file written objections** with the clerk of the 46th Circuit Court, and serve those objections on the Crawford County Treasurer as the Foreclosing Governmental Unit. The Docket number for the Petition is 07-7334-CZ.

If you are a person with an interest in property being foreclosed:

- You have the right to redeem this parcel from the foreclosure process by payment of all forfeited unpaid taxes, interest, penalties, and fees prior to the expiration of the redemption period. You should contact the Crawford County Treasurer for the amount required to redeem.
- You may lose your interest in the property as a result of the foreclosure proceeding.
- The title to the property shall vest absolutely in the Foreclosing Governmental Unit unless all forfeited unpaid delinquent taxes, interest, penalties and fees are paid by March 31, 2008.

PLEASE NOTE:

The following list represents parties that appear to have title, lien, or other apparent rights to the parcels being foreclosed by the Foreclosing Governmental Unit.

This notice is required to be given by law, even if the party no longer claims or desires an interest if it appears they hold any **undischarged, apparent, or potential** title or lien right to the property listed.

A listing of a party or person does **OT necessarily indicate that they are the owner of a parcel**, or that they are liable for the property taxes.

This list is **OT an offering of property for sale**. These parcels are **OT being sold, auctioned, or otherwise made available by virtue of this notice**.

There is **no procedure** for purchasing these parcels from the Foreclosing Governmental Unit at this point in the foreclosure proceedings. Those parcels that are foreclosed and not redeemed **may become available at public auction** after July of 2008. **These parcels remain the property of the current owner** until redemption rights have expired. **o party or person should make any attempt to inspect or enter upon these parcels** assuming them to be for sale. This may constitute trespassing and subject the offender to criminal prosecution. The street address of the parcels listed is based upon local records and is not guaranteed to be the actual location of the property.

The amount due listed indicates the balance which was due as of March 1, 2007. The current amount required to redeem must be obtained from the Crawford County Treasurer, as additional penalties, fees, and interest have accrued since forfeiture.

A 100-mile dog sled race, from Grayling to East Tawas, will start at 9 a.m. Friday, February 1, at the Red Barn on the corner of M-93 and M-72. The race is one of three races to East Tawas in the Michigan Sled Dog Cross Country Challenge sponsored by the Michigan Sourdough Long Distance Mushers.

Walt Disney characters will be

the theme of the 60th Annual Grayling Winter Sports Carnival Ice Sculpture contest. First prize for the winning sculpture is \$75, second place is worth \$50 and third is \$25. In 1941, one of the biggest ice sculptures ever built here, or in northern Michigan, was built by John Deckrow at Hanson Park. The Statue of Liberty ice sculpture was 62 feet high with a base of ice larger than a tennis court. The

ice from the statue was reported to have lasted into July of that year.

Like ducks out of water, aluminum canoes will waddle down the ski slopes of Grayling's Hanson Hills, highlighting the 60th Annual Grayling Winter Sports Carnival. A \$50 cash prize is awarded to the first canoe to go through two flags, 50 feet apart, at the bottom of the hill. Lucky contestants will wipe out at the top of the hill before they pick up speed in a runaway canoe they have no way to steer.

Led by 18 points from Gregg Burns, the Grayling basketball team buried Rogers City in a snowbank 66-46 as the league opponents braved cold weather and snow to travel to Grayling. Rod Patterson added 16 and Jeff Branch hit for 10 as the Vikings again had balanced scoring. Jon Nicholas contributed 8, Brad Naghtin 6, Mick Lovely 5, Ken Erb 2, and Rich Brooks 1.

January 25, 1962

The main building of the Grayling Game Club burned to the ground. Caretaker Mrs. Stanley Owens, who lives nearby the clubhouse, heard an explosion and looked out her window and saw smoke and flames coming from the clubhouse. Fire Chief, Milo Case, estimated the damage at around \$50,000. Club Secretary Albert Kusma, and his wife from Detroit, had been at the clubhouse staying for a weekend of winter sports. They were out skiing at the time of the fire, and

lost all of their possessions.

The newly installed chair lift at Skyline Ski Club was given a full load test and came through with flying colors. The chair lift, which has 60 chairs, was loaded with 360 pounds of cement blocks in each chair and then operated at various speeds.

January 26, 1939

Miss Frances Entsminger, daughter of Mr. and Mrs. Charles Gierke, was selected as queen to reign over winter sports for the 1939 season. The remaining five that formed her court were Pauline Merrill, Roberta Austin, Norberta Weiss, Hazel Wilkins and Gloria LaMotte. Frances is a 1938 Grayling High School graduate and is employed as a bookkeeper at the Grayling Dairy.

Clarence Dixon had real fisherman's luck to spear a pike weighing 21 1/2 lbs. and measuring 42 inches. It was speared at School Section Lake.

Peculiar weather for January as already we have had four thaws this month, and at the time of this writing, the sleighing is gone. Within the memory of some of our oldest inhabitants, never have they seen these conditions before in January.

The program of the formal opening of the new Grayling School brought a large crowd. It was estimated that there were 600 people in the school auditorium.

RECIPE OF THE WEEK

Stadium Bars
1 package or pouch double chocolate brownie mix
1/3 cup water
1/3 cup vegetable oil

1 egg
3 cups popped kettle corn
1 cup salted peanuts
1/2 cup chocolate chips

Preheat oven to 350°F. In medium bowl, blend together double chocolate brownie mix, water, oil and egg until moistened (about 40 strokes). Spoon batter into lightly greased 13x9x2-inch pan. Sprinkle kettle corn, peanuts and chocolate chips evenly over batter. Lightly press into batter. Bake 25-30 minutes. Cool thoroughly before cutting.

HOROSCOPES

For the week of January 24, 2008

CAPRICORN
December 22-January 19
Unusual circumstances force you to take a long, hard look at your life. Be careful how you proceed, Capricorn, and work to make the right decisions. A wish is granted.

ARIES
March 21-April 19
Flattery is not your specialty, Aries, so don't bother using it with a friend. Make your request and give them ample time to respond. A home repair turns out beautifully.

CANCER
June 22-July 22
Young mischief puts you in a humorous mood. Throw away your reservations, Cancer, and join in the fun. Helpful tips come from afar. Listen closely.

LIBRA
September 23-October 22
Time is running out on a project, Libra, and promises for assistance fall on deaf ears. Be bold and step up to the plate. You have what it takes.

AQUARIUS
January 20-February 18
Tired of that persistent health problem, Aquarius? Say no more. All you need to make it disappear is the help of the right professional. Start your search with a friend.

TAURUS
April 20-May 20
Motivation is hard to come by these days, Taurus, until a coworker offers you a hand. Take it and be prepared to return the favor when you can.

LEO
July 23-August 22
Like a challenge, Leo? You better. Your supervisor has something up their sleeve just for you. Charge! A financial matter is taken care of quickly.

SCORPIO
October 23-November 21
Tragedy befalls a friend, Scorpio, and you must help them pick of the pieces. Be firm but kind. Financial improvements lead to a budget surplus.

PISCES
February 19-March 20
Watch out, Pisces. A friend is not what they seem. Take what they say with a grain of salt. A professional dilemma comes to a head. Stay on the sidelines.

GEMINI
May 21-June 21
A momentous occasion calls for a momentous celebration. Time to let bygones be bygones, Gemini, and work your special magic. Ambiguity will not work at home.

VIRGO
August 23-September 22
Be careful, Virgo. This week is all about the unexpected. Everything you thought you knew and took for granted will be turned upside down, and you will learn a great lesson.

SAGITTARIUS
November 22-December 21
Clutter reigns at home and begins seeping into other aspects of your life. Rally the troops, Sagittarius, and take charge. The items you uncover will be reward enough.

Too often, trying to sell your own home can feel like an uphill battle against red tape, unforeseen pitfalls and a mountain of paperwork.

It's easier with RE/MAX.

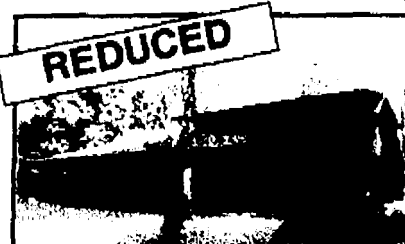

RE/MAX agents average more experience and more sales than other real estate agents.

They know what it takes to bring buyers and sellers together.

They also care enough to schedule viewings of your home when it's convenient for you - not them. Because outstanding service is what RE/MAX is all about.
